10 An Act relating to pharmacy benefits managers;
11 amending 59 O.S. 2021, Section 360, as last amended
12 by Section 8, Chapter 300, O.S.L. 2025 (59 O.S. Supp.
13 2025, Section 360), which relates to pharmacy
14 benefits manager contractual duties to provider;
15 requiring pharmacy benefits manager to remit certain
16 fees in certain situations; updating statutory
17 language; and providing an effective date.

18 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

19 SECTION 1. AMENDATORY 59 O.S. 2021, Section 360, as last
20 amended by Section 8, Chapter 300, O.S.L. 2025 (59 O.S. Supp. 2025,
21 Section 360), is amended to read as follows:

22 Section 360. A. The pharmacy benefits manager (PBM) shall,
23 with respect to contracts between a pharmacy benefits manager and a
24 provider, including a pharmacy service administrative organization:

 1. Include in such contracts the specific sources utilized to
determine the maximum allowable cost (MAC) pricing of the pharmacy,

1 update MAC pricing at least every seven (7) calendar days, and
2 establish a process for providers to readily access the MAC list
3 specific to that provider;

4 2. In order to place a drug on the MAC list, ensure that the
5 drug is listed as "A" or "B" rated in the most recent version of the
6 United States Food and Drug Administration (FDA) Approved Drug
7 Products with Therapeutic Equivalence Evaluations, also known as the
8 Orange Book, and the drug is generally available for purchase by
9 pharmacies in the state from national or regional wholesalers and is
10 not obsolete;

11 3. Ensure dispensing fees are not included in the calculation
12 of MAC price reimbursement to pharmacy providers;

13 4. Provide a reasonable administration appeals procedure to
14 allow a provider, a provider's representative and a pharmacy service
15 administrative organization to contest reimbursement amounts within
16 fourteen (14) calendar days of the final adjusted payment date. The
17 pharmacy benefits manager shall not prevent the pharmacy or the
18 pharmacy service administrative organization from filing
19 reimbursement appeals in an electronic batch format. The ~~pharmacy~~
20 ~~benefits manager must~~ PBM shall respond to a provider, a provider's
21 representative and a pharmacy service administrative organization
22 who have contested a reimbursement amount through this procedure
23 within ten (10) calendar days. The ~~pharmacy benefits manager must~~
24 PBM shall respond in an electronic batch format to reimbursement

1 appeals filed in an electronic batch format. The ~~pharmacy benefits~~
2 ~~manager~~ PBM shall not require a pharmacy or pharmacy services
3 administrative organization to log into a system to upload
4 individual claim appeals or to download individual appeal responses.
5 If a price update is warranted, the ~~pharmacy benefits manager~~ PBM
6 shall make the change in the reimbursement amount, permit the
7 dispensing pharmacy to reverse and rebill the claim in question, and
8 make the reimbursement amount change retroactive and effective for
9 all contracted providers;

10 5. If a below-cost reimbursement appeal is denied, the PBM
11 shall provide the reason for the denial, including the National Drug
12 Code (NDC) number from, and the name of, the specific national or
13 regional wholesalers doing business in this state where the drug is
14 currently in stock and available for purchase by the dispensing
15 pharmacy at a price below the PBM's reimbursement price. The PBM
16 shall include documented proof from the specific national or
17 regional wholesalers doing business in this state showing that the
18 drug is currently in stock and available for purchase by the
19 dispensing pharmacy at a price below the PBM's reimbursement price.
20 If the NDC number provided by the ~~pharmacy benefits manager~~ PBM is
21 not available below the acquisition cost obtained from the
22 pharmaceutical wholesaler from whom the dispensing pharmacy
23 purchases the majority of the prescription drugs that are dispensed,
24 the ~~pharmacy benefits manager~~ PBM shall immediately adjust the

1 reimbursement amount, permit the dispensing pharmacy to reverse and
2 rebill the claim in question, and make the reimbursement amount
3 adjustment retroactive and effective for all contracted providers;

4 6. If a PBM increases reimbursement for a drug, medical
5 product, or device as a result of an appeal pursuant to this
6 subsection, including an adjustment required pursuant to paragraph 5
7 of this subsection, and reduces the reimbursement amount for the
8 same drug, medical product, or device, including the same NDC
9 number, within thirty (30) calendar days of the appeal
10 determination, the PBM shall remit an administrative fee not less
11 than One Hundred Dollars (\$100.00) to the affected provider for each
12 occurrence. If such fees are not remitted after ninety (90)
13 calendar days, the administrative fee shall not be less than Five
14 Hundred Dollars (\$500.00) for each occurrence. If such fees are not
15 remitted after one hundred eighty (180) calendar days, the
16 administrative fee shall not be less than One Thousand Dollars
17 (\$1,000.00);

18 7. Any appeal that results in an increase in the reimbursement
19 from the PBM that continues to be below the pharmacy's acquisition
20 cost shall be considered a denial under this section. Any denial of
21 an appeal shall follow the requirements of ~~paragraph~~ paragraphs 5
22 and 6 of this subsection; and

23 ~~7.~~ 8. The PBM shall not require a pharmacy to collect
24 additional monies following a successful below-cost reimbursement

1 appeal from any person or entity other than the PBM who adjudicated
2 the drug claim, including the patient or plan sponsor.

3 B. The reimbursement appeal requirements in this section shall
4 apply to all drugs, medical products, or devices reimbursed
5 according to any payment methodology, including, but not limited to:

6 1. Average acquisition cost, including the National Average
7 Drug Acquisition Cost;

8 2. Average manufacturer price;

9 3. Average wholesale price;

10 4. Brand effective rate or generic effective rate;

11 5. Discount indexing;

12 6. Federal upper limits;

13 7. Wholesale acquisition cost; and

14 8. Any other term that a ~~pharmacy benefits manager~~ PBM or an
15 insurer of a health benefit plan may use to establish reimbursement
16 rates to a pharmacist or pharmacy for pharmacist services.

17 C. The ~~pharmacy benefits manager~~ PBM shall not place a drug on
18 a MAC list, unless there are at least two therapeutically
19 equivalent, multiple-source drugs, generally available for purchase
20 by dispensing retail pharmacies from national or regional
21 wholesalers.

22 D. In the event that a drug is placed on the FDA Drug Shortages
23 Database, ~~pharmacy benefits managers~~ PBMs shall reimburse claims to
24

1 pharmacies at no less than the wholesale acquisition cost for the
2 specific NDC number being dispensed.

3 E. The ~~pharmacy benefits manager~~ PBM shall not require
4 accreditation or licensing of providers, or any entity licensed or
5 regulated by the State Board of Pharmacy, other than by the State
6 Board of Pharmacy or federal government entity as a condition for
7 participation as a network provider.

8 F. A pharmacy or pharmacist may decline to provide the
9 pharmacist clinical or dispensing services to a patient or pharmacy
10 benefits manager if the pharmacy or pharmacist is to be paid less
11 than the pharmacy's cost for providing the pharmacist clinical or
12 dispensing services.

13 G. The ~~pharmacy benefits manager~~ PBM shall provide a dedicated
14 telephone number, email address and names of the personnel with
15 decision-making authority regarding MAC appeals and pricing.

16 SECTION 2. This act shall become effective November 1, 2026.
