20 Act".

21 B. For the purposes of this section, the term "school" means a

7 1. The highway consists of four or more lanes and passes
8 directly adjacent to the property boundary of the school;

9 2. The highway has a posted speed limit of sixty-five (65)

13 3. The center line of the highway is within one hundred fifty
14 (150) yards from the school property line.

15 D. Upon completion of construction of the school zone, the
16 local jurisdiction shall be responsible for the maintenance and cost
17 of operation of all school zone signage and equipment.

18 E. The reduced speed limit established pursuant to this section
19 shall be enforceable when the beacons are flashing and during:

20 1. School drop-off and pick-up times as indicated by flashing
