12 An Act relating to professions and occupations;
13 providing legislative findings and intent; amending
14 59 O.S. 2021, Section 353.1, as last amended by
15 Section 5, Chapter 340, O.S.L. 2025 (59 O.S. Supp.

17 definitions; defining term; creating a prohibition on

20 policy; requiring notice; providing for

20 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

21 SECTION 1. NEW LAW A new section of law not to be
22 codified in the Oklahoma Statutes reads as follows:

23 A. The Oklahoma Legislature finds that:

1 1. It is beneficial to the State of Oklahoma to support patient
2 access to prescription drugs and pharmacy services at fair prices in
3 a market that supports optimal patient care;

4 2. The Federal Trade Commission and the United States House
5 Committee on Oversight and Government Reform have found evidence of
6 anticompetitive business tactics that have driven locally operated
7 pharmacies out of business, limiting patient choices and inflating
8 drug prices at pharmacies owned by pharmacy benefits managers; and

9 3. The State of Oklahoma wishes to minimize conflicts of
10 interest by stopping the pharmacy benefits managers acting as a "fox
11 guarding the henhouse" by being both a price setter and price taker.

12 B. It is the intent of the Legislature that the State of
13 Oklahoma shall improve health care delivery in the pharmacy market
14 for patients by eliminating certain anticompetitive business tactics
15 as a basic tenet of this act.
