

STATE OF OKLAHOMA

2nd Session of the 60th Legislature (2026)

COMMITTEE SUBSTITUTE
FOR

HOUSE BILL NO. 1675

By: Cantrell

COMMITTEE SUBSTITUTE

An Act relating to emergency management; defining terms; providing for applicability; directing for assessments and reviews; requiring action plans; directing for communication and warning systems; providing standards; requiring training and drills; requiring disclosure; providing for rulemaking; providing enforcement; amending 63 O.S. 2021, Section 681, which relates to school buildings and fallout protection; adding youth camps and recreational campgrounds; requiring emergency plans be on file with local emergency management director; providing for codification; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 683.24C of Title 63, unless there is created a duplication in numbering, reads as follows:

As used in this act:

1. "Emergency action plan" or "EAP" means a written, site-specific plan addressing preparedness response, evacuation, sheltering, and communication for severe weather hazards;

1 2. "Hazard exposure zone" means an area identified through
2 federal, state, or local data as subject to one or more severe
3 weather hazards;

4 3. "Outdoor program" means a youth-serving activity conducted
5 primarily outdoors, including wilderness programs, sports camps,
6 adventure camps, or similar operations;

7 4. "Regulating authority" means the local emergency management
8 director of the appropriate jurisdiction;

9 5. "Severe weather hazard" means a meteorological or
10 environmental condition that poses a foreseeable risk to life or
11 safety, including but not limited to:

- 12 a. flooding or flash flooding,
- 13 b. high winds or straight-line winds,
- 14 c. tornadic or rotating wind systems,
- 15 d. hail,
- 16 e. lightning,
- 17 f. extreme heat or cold,
- 18 g. wildfire or wildfire smoke, and
- 19 h. any other weather-related condition designated by the
20 regulating authority; and

21 6. "Youth camp" means any facility, program, or operation that:
22 a. provides organized recreational, educational, or
23 residential activities,

1 b. serves individuals under eighteen (18) years of age,
2 and

3 c. operates for compensation or as a nonprofit, including
4 day camps, overnight camps, seasonal camps, and
5 specialty camps.

6 SECTION 2. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 683.24D of Title 63, unless
8 there is created a duplication in numbering, reads as follows:

9 This act applies to all youth camps and outdoor programs
10 operating within this state except:

11 1. Programs conducted solely on a single-day basis with no
12 oversight component which may be subject to modified requirements,
13 as determined by rule; and

14 2. Programs operated exclusively by a parent or legal guardian
15 for his or her own children.

16 SECTION 3. NEW LAW A new section of law to be codified
17 in the Oklahoma Statutes as Section 683.24E of Title 63, unless
18 there is created a duplication in numbering, reads as follows:

19 A. Each youth camp or outdoor program shall conduct a site-
20 specific hazard assessment prior to licensure or renewal,
21 identifying:

22 1. Applicable severe weather hazards;

23 2. Proximity to hazard exposure zones;

24 3. Structural vulnerabilities of buildings and shelters; and

1 4. Feasible evacuation routes and shelter-in-place locations.

2 B. Hazard assessments shall be reviewed and updated:

3 1. At least once every three (3) years; or

4 2. Upon material changes to facilities, terrain, or hazard
5 classifications.

6 SECTION 4. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 683.24F of Title 63, unless
8 there is created a duplication in numbering, reads as follows:

9 A. Each covered entity shall develop and maintain an emergency
10 action plan addressing, at a minimum:

11 1. Monitoring and detection of severe weather hazards;

12 2. Decision-making authority and chain of command;

13 3. Criteria for evacuation versus shelter-in-place;

14 4. Evacuation routes and secondary alternatives;

15 5. Shelter standards appropriate to the identified hazards;

16 6. Accountability procedures for campers and staff; and

17 7. Post-event communication and reunification procedures.

18 B. The plan shall include separate response protocols for each
19 severe weather hazard reasonably applicable to the site.

20 SECTION 5. NEW LAW A new section of law to be codified
21 in the Oklahoma Statutes as Section 683.24G of Title 63, unless
22 there is created a duplication in numbering, reads as follows:

23 Each youth camp or outdoor program shall maintain:
24

1 1. At least two independent methods of receiving severe weather
2 alerts, including one method that does not rely on cellular service;

3 2. An internal communication system capable of alerting staff
4 and campers promptly; and

5 3. Procedures for notifying parents or guardians during
6 emergencies.

7 SECTION 6. NEW LAW A new section of law to be codified
8 in the Oklahoma Statutes as Section 683.24H of Title 63, unless
9 there is created a duplication in numbering, reads as follows:

10 A. Where severe weather hazards are identified, camps shall
11 provide access to shelters that are:

12 1. Appropriately rated for anticipated wind or impact loads;

13 2. Located outside high-risk zones when feasible; and

14 3. Clearly marked and accessible.

15 B. The regulating authority may prohibit or condition the use
16 of:

17 1. Sleeping facilities located in high-risk hazard exposure
18 zones; or

19 2. Temporary structures unable to withstand foreseeable severe
20 weather.

21 SECTION 7. NEW LAW A new section of law to be codified
22 in the Oklahoma Statutes as Section 683.24I of Title 63, unless
23 there is created a duplication in numbering, reads as follows:

1 A. Staff shall receive annual training on emergency procedures
2 and hazard recognition.

3 B. Camps shall conduct periodic drills appropriate to the
4 identified hazards.

5 C. Training records shall be maintained and available for
6 inspection.

7 SECTION 8. NEW LAW A new section of law to be codified
8 in the Oklahoma Statutes as Section 683.24J of Title 63, unless
9 there is created a duplication in numbering, reads as follows:

10 Youth camps and outdoor programs shall disclose in writing:

11 1. The existence of material severe weather hazards affecting
12 the site; and

13 2. The general nature of emergency response procedures.

14 Acknowledgment of receipt shall be obtained prior to
15 participation.

16 SECTION 9. NEW LAW A new section of law to be codified
17 in the Oklahoma Statutes as Section 683.24K of Title 63, unless
18 there is created a duplication in numbering, reads as follows:

19 A. The regulating authority shall adopt rules necessary to
20 implement this act, including:

21 1. Hazard-specific standards;

22 2. Compliance timelines; and

23 3. Variance procedures for site-specific conditions.

24 B. The regulating authority may impose:

- 1 1. Corrective action plans;
- 2 2. Civil penalties; or
- 3 3. Suspension or revocation of licensure for material
- 4 noncompliance.

5 SECTION 10. AMENDATORY 63 O.S. 2021, Section 681, is
6 amended to read as follows:

7 Section 681. A. School authorities of the State of Oklahoma,
8 its political subdivisions, and its school districts are authorized
9 to plan, design, and construct new school buildings and make
10 additions to existing school buildings that afford protection for
11 the anticipated school body, faculty, and visitors against tornadoes
12 and severe weather. Each school, administration building and
13 institution of higher learning shall have written plans and
14 procedures in place for protecting students, faculty, administrators
15 and visitors from natural and man-made disasters and emergencies.
16 Plans shall be reviewed and updated annually as appropriate by each
17 school, administration building and institution of higher learning,
18 and placed on file at each school district and each local emergency
19 response organization within the district, which may include police,
20 fire, emergency medical services, sheriff and emergency management
21 of the appropriate jurisdiction. The plans shall be submitted in a
22 format acceptable to the emergency agency no later than November 1
23 of each year. Each school district and institution of higher
24 learning shall make annual reports to the local school board or

1 Board of Regents detailing the status of emergency preparedness and
2 identified safety needs for each school or institution.

3 B. Operators of youth camps and recreational campgrounds within
4 the State of Oklahoma are authorized to plan, design, and maintain
5 facilities and grounds in a manner that affords protection for
6 campers, staff, and visitors against flooding and severe weather
7 hazards. Each youth camp and recreational campground shall have
8 written emergency action plans and procedures in place for
9 protecting campers, staff, and visitors from natural disasters and
10 severe weather events, including those requiring evacuation.

11 1. Such plans shall, at a minimum, identify natural hazards
12 specific to the location that may necessitate evacuation, outline
13 evacuation routes and procedures, and include methods for issuing
14 emergency alerts and warnings to campers and staff. The plans shall
15 be reviewed and updated annually as appropriate by the operator of
16 the youth camp or recreational campground.

17 2. A copy of the emergency actions plan, including evacuation
18 procedures and warning information, shall be placed on file with the
19 local emergency management director of the appropriate jurisdiction
20 in a format acceptable to the emergency management agency. The
21 plans shall be submitted or updated no later than November 1 of each
22 year upon any significant change to facility operations or hazard
23 conditions.

24 SECTION 11. This act shall become effective July 1, 2026.

SECTION 12. It being immediately necessary for the preservation
of the public peace, health or safety, an emergency is hereby
declared to exist, by reason whereof this act shall take effect and
be in full force from and after its passage and approval.
