All vendors providing services to a state agency shall report any subcontracting for fulfillment of any terms of the contract between the vendor and the state agency to both the contracting agency and Central Purchasing Division of the Office of Management and Enterprise Services. The report shall include the tasks the subcontractor completed and the percentage of the total contract being fulfilled by the subcontractor. 1. The vendor's name;
2. The total expected cost of the contract;
3. The purchase order number; and

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 85.41D of Title 74, unless there is created a duplication in numbering, reads as follows:

State agencies that purchase or secure services through statewide contracts shall provide the following documentation to the Central Purchasing Division of the Office of Management and Enterprise Services upon entering into an agreement for contracted services:

1. A statement of work that includes the purpose of the contracted work, the expected deliverables and corresponding due dates, and metrics for evaluating the success of the engagement;
